UNITED STATES DISTRICT COURT

NORTHERN DISTRICT OF ILLINOIS

EASTERN DIVISION

Dear Addressees:

As I presently comprehend the above referenced proceeding of Case Number 11 CR 0820 is set in the nature of a taxable business transaction pursuant to the rules of commerce.

Therefore, would your accountant please prepare and file Federal Form 1099 (Original Issue Discount) to cover the eligible issues (products of statutes) in this case number 11 CR 0820 UNITED STATES DISTRICT COURT vs. SHARON ANZALDI.

The eligible Issues in this matter consist of:

- 1) Appearance Bond
- 2) A Penal Bond bearing OMB No: 9000-0045, Standard Forms 24, 25, 25A, 90 and 91 (Bid, performance, payment, Reinsurance Agreement for a Miller Act Performance, Payment, Release of Property, In Favor of the United States Bonds) the alleged estimated amount is unknown.
- 3) Any other bonds subsequent to and including the True Bill of Indictment, and/or verified information.

All the above eligible issues listed 1-3 are being withheld. Please provide me with my copies of those 1099 Original Issue Discount Forms aka as OID Forms to effectuate my tax credit, since there is no actual money in circulation.

All these products in issue are prepaid and I am in need of information of your business plan to process prepayments in order to facilitate the tax report of the Federal Withholding to the IRS as taxable income to me.

You have not provided me with a check or money order to pay for the product you are withholding which constitutes a dishonor in itself. Any dishonor/denial in this matter on your part admits this settlement to be a tax recovery issue. The IRS will want to know the location of the funds that are being withheld. Please advise how to proceed in order to make settlement.

The tax in question is original issue discount. The filing of the 1099OID is not mandatory on my part (voluntary), but upon request by me becomes mandatory upon you, and if not complied with constitutes fraud. **You are using my identity and related exemption without my full knowledge or consent and selling securities in my name without my consent. On the whole, that is identity theft as well as sedition against the United States, fraud, embezzlement, theft of public funds and securities fraud.**

The filing of the 1099OID is to enable the tax charge to return to the source for settlement and closing of escrow in exchange, Treasury Account (.F-768-075-823). After filing please return to my possession all the corresponding property that belongs to me. If you do not intend to comply with my request please provide me with your tax identification numbers.

Your refusal, will make you a participant in an International Contract, and your name becomes eligible to appear in the tax report as a recipient of the payer, who is identified in the eligible issue/bill/bond, etc. You have knowledge and access to the value, and other information to report/file the federal tax for and you are now holding a tax

liability until you make settlement by returning to the source (which is what the 1099 OID does) and that source is eligible for a tax refund. You would become the holder-in-due-course of the eligible issues for the value stated herein that value being a federal tax liability.

If a response is not received from your office within 5 working days of receipt of this letter the IRS will calculate the total amount of the tax for which you are liable. The actual filing of the form will not be made until you are in dishonor of my request or until an amicable agreement can be met "with a meeting of the minds."

We all know Corporations cannot be "Creditors" as they are dead entities, consequently, I am the only true Creditor in the above referenced case/docket/transaction.

Thank you in advance for your kind co-operation. Registered Mail Number RR 662 823 745 US to:
