## AFFIDVIT OF TRU

I, Daniel, living [flesh and blood] man. full brother to the living [flesh and blood] man Destry, born of the families Payne and Cragg, settled and domiciled on the lands of the state of Michigan for more than thirty years. being of sound mind, body, and spirit, do hereby exercise my sworn duty to support and defend the original lawfull Constitution, including its lawfull amendments, for these states of America, through the composition and execution of this Affidavit of Truth: I, Daniel, do hereby swear under penalty of perjury, on this the twenty fourth day of November in the year of our Lord, two thousand and fifteen, the following informational context, facts, and statements constitute truth in fact and fact in truth in so far as my knowledge extends through the subject matters.

### Character Assessment

It seems appropriate to begin with an assessment of the character of my brother, Destry, so that the court can be assured of the fact that Destry is a good man overall and does not deserve ill treatment.

Destry's family life has turned out better than the family lives of many men. Destry has been married twice, the first having lasted about two years and the latter having lasted about a decade. He has one son and one daughter, though he also raised two step-daughters during his second marriage. Destry's relationship with his son seems to mirror his own father's father-son relationships in that the relationship is tragedy; however, Destry's relationships with his daughter and former step-daughters always have been strong and positive. Having not made the same mistake with his daughter daughters as was made with his son, Destry's daughters look up to, love, and admire him. Similarly, Destry's relationship with his second ex-wife has remained a significant improvement over his relationship with his first ex-wife. The differing outcomes of the two families perhaps are best explained as consequence of maturation and the benefit of learning from mistakes. It is worthwhile to mention that, while many men are out impregnating one woman only to move on to another, and another, leaving single mothers to raise their own children without support from the father, Destry has put forth effort to be a good and supportive father where circumstances have permitted.

Destry's professional life is that of a man who contributes to society. He's worked hard much of his life. Gifted with natural talents where mechanics are involved, Destry's obtained knowledge and skill which garners great appreciation and respect, owing to the fact that he's capable of pulling off solutions to problems which many find difficult to even approach.

While Destry's interests in youth centered around mechanics, in the most recent several years he has spent a great deal of time educating himself on the subjects of rights, laws, and government. He's examined the questions of "what were these nation and states of ours and their governments meant to be when created?" and "in what ways have these departed from the original values and intent?" Where the matters of rights, laws and government are concerned, Destry seeks to support return to values which place honor, integrity, morality, and justice far above greed, selfishness, and apathy. Whereas many men simply complain about injustice but do little to

nothing to correct the situation, Destry strives to stand for and defend what is morally right and just, going so far as to research and publish information on fundamental rights, common law and constitutional matters at an online forum for the benefit and betterment of anyone who cares to learn about these matters.

### **Situation Assessment**

In the matters of STATE OF MICHIGAN vs. DESTRY JAMES PAYNE, attorneys in Crawford County and Bay County have sought and continue to seek to impose upon my brother, Destry, erroneous proceedings facilitated through malicious, illegal and unlawfull actions. Given

- 1) freedom to gather information in formulation and support of his own defense,
- 2) full disclosure of all information which has bearing on the matters, and
- 3) a truly impartial Judge who affords my brother all accommodations due to one chooses to defend himself and is largely ignorant of administrative policy and procedure within the context of the court proceedings as well as largely ignorant of statutes and case law,

I strongly suspect that my brother can and would defeat the arguments presented against him. In fact, it is my strong suspicion that he has been kept in jail, with little to no access to both the resources and opportunity necessary to prepare himself to act effectively in his defense, specifically to sabotage his ability to defend himself. While the county Prosecutors and county Judges have attempted to explain the imprisonment as a necessity or punishment, the complaints and "charges" upon which the cases in both counties were initiated were and remain in error. Destry's "failures" to appear for proceedings were, in fact, justifiable avoidance: one does not give life to an invalid claim but denies the claim for lack of any substantiating evidence, which is not only entirely rational and legal, but borne out in Destry's written communications to the county Prosecutors and courts. Stymied in their efforts to equate the corporate person DESTRY JAMES PAYNE with the natural person to whom I am brother, the county Prosecutors and county Judges since have physically forced Destry to stand before the court and answer to verbal statements in which wrongs, including the distinction between the corporate person and natural person, can be hidden in written records of the proceedings. Furthermore, it fully appears to be the case that evidentiary documents submitted to the court in support of Destry's defense have been omitted from consideration and even removed from the court record, ~~likely thrown into trash receptacles~~ at the behest of the Bay County Prosecutor and Judge, if not the Crawford County Prosecutor and Judge as well, such that the county Prosecutor and Judge does not have to contend with countering evidence for which they can find no path to overcome. I do not make these statements lightly, nor with ill intent: I'm simply calling it as I see it.

The blatant maliciousness described above, in particular Destry's imprisonment has inflicted adverse and far-reaching damages upon my brother, as well as myself and other members of the Payne family. Destry's 10-year old daughter, Elizabeth, has been prevented from seeing her father for nearly three months. When I visited Elizabeth last week, I noticed that she visibly is not as upbeat as she normally is. Elizabeth's mother has not been able to receive child support payments from Destry. He was prevented from seeing his former step-daughter's new-born baby and from consoling his former step-daughter upon the baby's death. Destry's imprisonment, and my attending to matters pertaining to STATE OF MICHIGAN v. DESTRY JAMES PAYNE, prevented both of us from attending the baby's burial. Destry has been prevented from attending

to his financial affairs, some of which only he can attend; as a result, his home is due to be sold out from under him before the end of the year, a home in which he has at minimum \$6,000 and as much as \$12,000 in equity, opening the distinct possibility of his property, valued at roughly \$25,000, being transferred to someone else, perhaps permanently, if he is kept imprisoned in absence of bona-fide crime beyond the end of this month. Destry has stated in phone conversations that his health is suffering as consequence of the poor quality water and food provided to him by BAY COUNTY LAW ENFORCEMENT CENTER. His mother has been and remains distraught, worried, and depressed with the predicament in which her son has been placed, causing her loss of wages and well being. Compelled by duty to family, civic duty, and oath to uphold and protect the Constitution, in coming to my brother's aid in his time of need and support, I have suffered damages which have placed me in financial distress. I've been forced into paying Destry's share of obligations for which we share joint responsibility, such as our cell phone service agreement, so that I don't lose my service. I've been paying expenses pertaining to Destry's defense and tangential matters in Bay County and Crawford County, including inmate communications and commissary services, travel costs, and costs to print, copy, file and send evidentiary and other documents. I've had to take days off work to attend to matters for Destry, losing wages in doing so. I'm not paid enough by my employer to continue to pay all of these costs, I simply can't sustain them much longer, particularly in the face of having been laid off from work this past week. With many demands upon my time, I haven't yet had opportunity to tabulate the losses I've incurred. Aside from the financial distress, I've suffered loss of sleep, prolonged physical and mental distress, and it *is* adversely affecting my health, well-being, and quality of life. Other Payne family members and friends also have been affected by the situation into which Destry has been thrust.

### **Events pertaining to Amicus curiae letter**

For the United States Court's consideration, I wish to include a specific example of the unscrupulous games which are being played by persons entrusted with public service in Bay County.

In so far as my research has led me, in the context of a matter presented to a court, an amicus curiae can consist of a third party who possesses a stake, and thus a claim, in the court's proceedings, in which case, the claim must be included in consideration of the matter placed before the court.

In the matters of STATE OF MICHIGAN vs. DESTRY JAMES PAYNE, case numbers 1231770ST1, 1232485ST1 and 1232485BS11, I have attempted to serve upon Dawn Klida and enter into the case files in 74<sup>th</sup> District Court Clerk's records an open letter of Amicus curiae but have been met with counter-actions aimed at obstruction of due process.

The open letter of Amicus curiae constitutes my entry into the said matters as a third party for the purposes of 1) supplying facts which demonstrate that the proceedings began as and remain fraudulent in nature, 2) emphasizing the fact that the plaintiff's attorney has been impersonating a Unites States Trustee, 3) notifying Dawn Klida that her personal choices in the performance of her job have added the criminal element of false imprisonment, 4) notifying Dawn Klida that her

personal choices in administering the matters have resulted in infliction of damages upon myself and the Payne family, damages of financial and other nature, 5) drawing to Dawn Klida's attention the opportunity to choose to halt the proceedings and either dismiss the matters outright and with prejudice or suspend the proceedings in order to investigate the validity of the allegations of criminal acts involved in both the plaintiff's claims and their presentation to the court, and 6) demanding immediate relief from the cause of the damages and remedy for the damages. The Amicus curiae letter was signed by my hand in both written signature and fingerprints. Attached to it was a copy of an Amicus curiae letter from a different matter, the contents having some bearing on the present matters in Bay County. A scanned copy of the letter authored by myself, and its attachment, is attached(1).

On 26 October 2015, I travelled to Bay City, Michigan, for the purpose of entering the open letter of Amicus curiae into the 74<sup>th</sup> District Court's records as well as for the purpose of serving the letter upon Dawn Klida. The 74<sup>th</sup> District Court clerk refused to stamp the original signed letter and to make copies for me, making it necessary to visit a local copy service to obtain copies. Upon my return to the 74<sup>th</sup> District Court Clerk's office, the same clerk accepted and kept the original letter, then stamped the two copies of the letter and returned them to me, and finally attempted to avoid stamping the original as received until I insisted that she stamp the original letter as received and obtained her compliance. Shortly thereafter, I visited the Bay County Sheriff's Office to request the service of one of the two copies of the letter upon Dawn Klida. One of the Sheriff's deputies, Daniel Gillman, the man whom I was told by the Sheriff's receptionists carries out process service for the Sheriff, met with me and agreed to serve the letter upon Dawn Klida. Daniel Gillman did not inform me that a conflict of interest existed, stemming from the fact that he filed on of the two complaints involved in the Bay County matters of STATE OF MICHIGAN v. DESTRY JAMES PAYNE, a fact of which I was unaware at the time.

Within days of my visit to Bay City, the 74<sup>th</sup> District Court Clerk's Office entered into the court's registry of actions a note acknowledging the filing of the Amicus curiae letter. However, during a visit to the 74<sup>th</sup> District Court Clerk's Office on 19 November 2015, I requested to review the court's files in the matters of STATE OF MICHIGAN v. DESTRY JAMES PAYNE and found that the Amicus curiae letter and attachment were not present in the physical files for cases 1231770ST1 and 1232485ST1/BSI1. It was on this occasion that I also noticed that Daniel Gillman signed one of the two complaints contained in the physical files for cases 1231770ST1 and 1232485ST1/BSI1.

During the weeks following the process service agreement, Daniel Gillman has failed twice to provide proper service on my behalf in a required due process action: due process requires that the offending party *must* be notified of the ongoing offense and *must* be afforded opportunity to desist and to reach a solution agreeable to the offended party. Gillman has stated that he served the document upon Klida. However, the first process service documents received from Gillman consisted of an incomplete and ambiguous Affidavit of Service and an unsigned printout in which the process service is stated as having been executed (2). I mailed to Gillman a request for a corrected affidavit of service to include specification of the document served and identification of myself as the party for whom he had acted as agent (3). Gillman sent an Affidavit of Service which specified the document served; however, in the affidavit, Gillman avoided identifying me

as the party for whom he acted as agent (4). The affidavit had a Post-It note stuck to it, written and signed by one of the Sheriff's receptionists, in which it was implied that the identification of the party for whom Gillman acted as agent is not a necessary component of the Affidavit of Service, for in her words (5), the Sheriff's Office has a copy of the driving license issued to me. I twice sought proper service in a due process action through, and twice was denied proper service in a due process action. The bill for service rendered was sent, not by Bay County Sheriff's Office, but rather by the BAY COUNTY CORPORATION, implying the Gillman acted not as a Deputy for the elected Sheriff, but as an employee of the BAY COUNTY CORPORATION, while wearing the uniform of and presenting himself as Deputy Sheriff.

**Observations and remarks following review of 74<sup>th</sup> District Court's case files 1231770ST1 and 1232485ST1/BS11 on 19 November 2015**

**Identity of the Defendant.** Though my brother, Destry, has pointed out to the court the fact that the defendant DESTRY JAMES PAYNE is a corporate person, aka a legal fiction, aka a bank account, aka an account created by and maintained by the UNITED STATES OF AMERICA CORPORATION, as well as the fact that the corporate person DESTRY JAMES PAYNE is legally distinct and separate from its intended beneficiary, Destry, neither the complainant, nor the plaintiff, nor the plaintiff's attorney, nor Dawn Klida, nor any Judge, nor any court clerk, nor the court administrator, nor the court-appointed attorneys, who have handled, reviewed, and/or administered the cases have acknowledged or examined the legal distinction. The distinction has been argued numerous times and upheld in the U.S. Supreme Court, a fact of which every law enforcement officer, attorney, court clerk, court administrator, and Judge should be fully aware. The distinction is a fundamental consideration in the identification of any and all parties which either appear before or present themselves to the court.

**Jurisdiction Challenge and Response.** The jurisdiction challenge submitted to the court by Destry acknowledged and utilized the distinction between corporate persons and natural persons as basis for asserting the fact that, in absence of an injured party and/or damages, and in absence of a signed contract in effect at the times of the complaints, the natural person [Destry] does not stand under the court's jurisdiction in the proceedings and the court must redirect its proceedings away from the natural person and toward the legally separate and distinct corporate person DESTRY JAMES PAYNE. I noted that the Bay County Assistant Prosecutor's written response to the jurisdiction challenge not only failed to acknowledge the legal distinction but failed to address the cited U.S. Supreme Court ruling which upheld the legal distinction. While reviewing the physical files I also noted that it appears to be the case that not only was the arrest warrant issued more than two years prior to the arrest of Destry, the warrant doesn't appear to have been properly completed.

~~Given the...

~~\_\_\_\_\_~~  
It is ~~also~~ my well-considered assessment that at least some of the wrong-doings have arisen as result of personal bias which I submit stems from both my brother's refusals to submit to proceedings which he holds are wrongfull and unlawfull and my brother's challenges submitted to the Prosecutor and Judge: one who is accustomed to getting his/her way does not like to be told "No," particularly when accepting the "No" can translate into direct or indirect loss of pay.

I cannot overstress ~~the~~ similarities in defunct proceedings in matters of STATE OF MICHIGAN v. DESTRY JAMES PAYNE in the court in Crawford County, Michigan. In these matters, the Prosecutor withdrew the "charges" save one, awaiting Destry to pay for a license plate. Rather than check up on whether my brother had released from BAY COUNTY LAW ENFORCEMENT CENTER and had time to attend to the matter in Crawford County, a default judgment was issued and the withdrawn "charges" were brought again.

**Request for relief from damages**

On behalf of myself and the Payne family, I ask and implore your Honor to take the following actions:

- 1) remove the matters of STATE OF MICHIGAN v. DESTRY JAMES PAYNE to the federal court for unbiased, honorable and just administration and rapid conclusion;
- 2) dismiss the matters for lack of cause, as well as lack of any United States Trustee representing the plaintiff;
- 3) issue an order for the immediate release of my brother. Destry, on his own recognizance so that he stands at least some chance of saving his life at home; and,
- 4) initiate investigation into ~~\_\_\_\_\_~~ the matters of STATE OF MICHIGAN v. DESTRY JAMES PAYNE ~~\_\_\_\_\_~~

Amicus curiae  
Open Letter

Your Honors,

I, Dan Payne, living [flesh and blood] man, blood brother to the living [flesh and blood] man Destry Payne, inhabiting the lands of the state of Michigan beyond the real physical reach of the seas, counted among the peoples who comprise said state, standing on the common laws of the land and the foundations of said laws, enter the proceedings of STATE OF MICHIGAN v DESTRY JAMES PAYNE for the honorable and just purposes of claiming damages and introducing into the matters highly relevant facts which shed as-yet unseen light on the matters, facts which expose crimes and attempted crimes of felony nature.

In the matters of STATE OF MICHIGAN v DESTRY JAMES PAYNE, case numbers 1231770ST1, 1232485ST1, and 1232485BS11, no crime exists and no matter of equity. No living [flesh and blood] victim has stepped forward and entered into the court records a complaint for real injury and/or damages, neither for physical injury, nor for property damage, nor for unfulfilled contractual obligations. If I am in error, present the victim, and the injury and/or the damaged property, or the unfulfilled contract, signed by both the plaintiff and the defendant, into the court record for all to see. I insist: "put my finger on it." to quote a learned fellow of mine. Absent a party bearing an injury, property damage, and/or an unfulfilled contract between such party and my brother, Destry, the above cases

in the matters are not criminal cases, a fact which we all are aware, owing to the facts that your Honors present yourselves as the most capable individuals in the Bay County community to handle matters of law and that ignorance of the law is no excuse.

In conjunction to the 1933 bankruptcy proceedings of the UNITED STATES OF AMERICA corporation, all of its licensed franchises, subsidiaries and agents were required to file likewise, including the STATE OF MICHIGAN corporation, and all franchises, subsidiaries and agents sub-licensed by the STATE OF MICHIGAN corporation. The bankruptcy stands in effect on this very day. Obvious signs of it include the statement issued by the UNITED STATES corporation on every federal reserve note ("THIS NOTE IS ... TENDER FOR ALL DEBTS..."), the lack of lawfull gold and/or coin in circulation, and international trade in securities for which the living [flesh and blood] men, women, children, and even infants, on the lands of America are used as collateral or owned property. As even many novices at law are aware, debtor's slavery its unlawfull nature aside, a bankrupt corporation is a dead corporation, the act of completing bankruptcy proceedings constitutes the dying of the corporation, and once dead, the corporation is no more entitled to file claims in court than is a decomposing corpse buried in the ground: any and all bankrupt corporations are civilly dead. Period. Unable to bring lawfull claims. Period. Unable to bring legal claims. Period. For the same reason that dead corpses don't rise from the grave, walk into courtrooms, and file claims and complaints. Because the dead are null and void, incapable of anything beyond rotting to nothingness.

In the matters of STATE OF MICHIGAN v DESTRY JAMES PAYNE, case numbers 1231770ST1, 1232485ST1, and 1232485BS11, the plaintiff, the STATE OF MICHIGAN corporation, is a bankrupt entity, as mentioned in the prior paragraph, and thus has no legal standing to file claims in any court. Being astute as I am, I am aware that the 1933 bankruptcy court stipulated that the dead corporations would be permitted to appeal to then and future trustees of the bankruptcy under extraordinary circumstances should need for filing claims in courts arise. I also am aware that only trustees for the bankruptcy can legally bring the claims and represent any of the dead corporations, including STATE OF MICHIGAN, and that anyone who represents STATE OF MICHIGAN, if not one of the few trustees living on the lands of Michigan, has impersonated a public official, a felony crime, not only by bringing the matter before the court, but by speaking in the courtroom and entering testimony and evidence into the court record, each instance constituting distinct counts of the felony crime.

In the matters of STATE OF MICHIGAN v DESTRY JAMES PAYNE, case numbers 1231770ST1, 1232485ST1, and 1232485BS11, your Honors are reminded of four simple, easily comprehended facts. One, DESTRY JAMES PAYNE is a legal fiction which originated in and exists only in the paper world, a legal fiction produced by civilly dead corporations, and hence having no legal standing itself upon which to have claims brought upon it: the dead cannot create life. Two, Destry, living [flesh and blood] man,

my brother, exists in the real world and had absolutely no awareness of, and thus no consent regarding the legal fiction DESTROY JAMES PAYNE. Three, STATE OF MICHIGAN, its franchises, subsidiaries and agents employed deception to coerce my brother into association with DESTROY JAMES PAYNE, in absence of disclosure that said corporations are were and remain bankrupt, civilly dead, and in absence of disclosure as to the legal nature of DESTROY JAMES PAYNE and the ramifications of association with the legal fiction. Four, United States Code prohibits the equation of my brother and the legal fiction which phonetically mimics his name in equity matters.

In the matters of STATE OF MICHIGAN v DESTROY JAMES PAYNE, case numbers 1231770ST1, 1232485ST1, and 1232485BS11, it is readily apparent that deception, fraud and additional criminal activities exist on a number of levels in the plaintiff's claims placed before the 74<sup>th</sup> District Court. It is readily apparent that said activities have inflicted damages, not only upon my living [flesh and blood] brother, but upon myself as well. It is also readily apparent that your Honors are either complacent with these activities or are willing and active participants. In either case, I point out to your Honors that in violating the Clean Hands Doctrine, by allowing plaintiff and plaintiff's counsel to bring forth before the court fraudulent claims which reek with deceptions, in choosing in your individual capacities to facilitate and participate in fraudulent proceedings in these matters, your Honors dishonor your elected offices. I, nor anyone else, should not need to point out to sitting Judges the fact that the use of imprisonment under fraudulent proceedings for the purpose of coercing consent to contract is a criminal act and clearly violates basic rights as well as being prohibited by the very document upon which each of your Honors proclaims to draw authority. If the U.S. Constitution is not worth honoring in your Honors' eyes, then your Honors have zero basis for proclaiming authority: one cannot deny the standing of the U.S. Constitution while simultaneously attempting to stand upon it. If you weren't aware that your own dishonorable actions have stripped you of immunity from prosecution, you are aware now<sup>1</sup>. If you weren't already aware that Pope Francis has revoked your immunity from prosecution, you are aware now<sup>2</sup>. If you weren't aware that authorization for your arrest and prosecution has been granted by the international common law court Global Isles Court of Record, you are aware now<sup>2</sup>. Each of your Honors bears unlimited personal liability for the damages which you have so blatantly inflicted. Need I state that in your personal choices in the performance of your jobs, your Honors have involved your coworkers and a number of additional parties in facilitation and execution of criminal activities?

In the matters of STATE OF MICHIGAN v DESTROY JAMES PAYNE, case numbers 1231770ST1, 1232485ST1, and 1232485BS11, your Honors are ordered to dismiss with prejudice any and all present and future claims by the bankrupt STATE OF MICHIGAN corporation against both the legal fiction DESTROY JAMES PAYNE and against my living [flesh and blood] brother, Destry, such claims being fraudulent and spurious, and thereby inflicting real damages upon my brother and his family. Your Honors are ordered to grant relief and remedy to my brother, Destry, and to his family, by awarding damages

consistent with contemporary cases of false imprisonment. Your Honors are ordered to sign and issue an order for Destry's unconditional release from jail, effective immediately. If your Honors have any hope of avoidance of serious actions against you in your individual capacities, you will not hesitate to act. The Michigan General Jural Assembly<sup>3</sup>, the lawfull authority on the lands of the state of Michigan, and the international court<sup>4</sup>, which has offered to aid should your Honors choose to continue to act unlawfully, await your action, as do the several parties injured by the recent actions of the counsel who represents the STATE OF MICHIGAN corporation and of your Honors in the matters of STATE OF MICHIGAN v DESTRY JAMES PAYNE.

15 Your Honour,

Re: <http://www.aljazeera.com/news/2015/09/saudi-arabia-september-11-150929233729163.html> "US judge dismisses 9/11 case against Saudi Arabia".

20 "[Hon. George B.] Daniels [of USDC NYC] said even if he allowed the plaintiffs to assert those new claims, doing so would be "futile, however, because the additional allegations do not strip defendants of sovereign immunity".

Consequent to our 'Letter Rogatory to the British Cabinet/ Parliament'<sup>1</sup> which was copied to His Holiness Pope Francis, Pope Francis stripped all immunity, including but not limited to 'sovereign immunity' by Motu Proprio<sup>2</sup> dated 11 July 2013. There is no 'sovereign immunity' or 'diplomatic immunity' or 'ecclesiastic immunity' or immunity of any sort. All USDC 'Judges'

Of The Law and the jurisdiction of this Court of Record<sup>3</sup>

30 Our Lord and Master, Jesus Christ Himself proclaimed the Trust Law<sup>4</sup> which is the fount of  
 Constitutional Law and Civil Law by which Christendom is governed, in the Gospel of Saint Luke,  
 chapters 19 and 20. He spoke His authority over the kingdom of God thus

Matthew 21:23 And when he was come into the temple, the chief priests and the elders of the people  
 came unto him as he was teaching, and said, By what authority doest thou these things? and who gave  
 thee this authority? 21:24 And Jesus answered and said unto them, I also will ask you one thing, which  
 35 if ye tell me, I in like wise will tell you by what authority I do these things

21:25 The baptism of Jhnn, whence was it? from heaven, or of men? And they reasoned with  
 themselves, saying, If we shall say, From heaven, he will say unto us, Why did ye not then believe  
 him? 21:26 But if we shall say, Of men, we fear the people: for all hold Jhnn as a prophet.

21:27 And they answered Jesus, and said, We cannot tell. And he said unto them, Neither tell I you by  
 40 what authority I do these things

And of His authority over the land thus:

Gospel of Saint Luke 19:30 Saying, Go ye into the village over against you: in the which at your  
 entering ye shall find a colt tied, whereon yet never man sat, loose him, and bring him hither.

19:31 And if any man ask you, Why do ye loose him? thus shall ye say unto him, Because the Lord  
 45 hath need of him.

## Dissolution of the United States

Our action against the corporate UNITED STATES initiating the dissolution of the 'United States' corporation together with the 'Federal Reserve' and connected world 'fiat' system, is published at [www.courtrecord.org.uk/US-PDF](http://www.courtrecord.org.uk/US-PDF), the sealed original available at the U.S. Treasury

This Court of Record of YHVH, Ground of Being, by Amicus curiæ to the then King Abdullah bin Abdulaziz Al-Saud, wrote, "The formal Pharaoh of Banking and the Caesar of the Nation State are overcome by the power of Mālik-ul-Mulk, The Owner of all Sovereignty, and so the world financial crisis shall bless all the living men, women, children of Al-Khāliq, The Creator". This Amicus curiæ is available at [www.courtrecord.org.uk/Saud-PDF](http://www.courtrecord.org.uk/Saud-PDF).

Since then, the resultant history, by the grace of YHVH, Allah, Mālik-ul-Mulk, The Owner of all Sovereignty, has demonstrated unequivocally that there is no 'Sovereignty' in SAUDI ARABIA and that it is nothing other than a puppet of Mr. Rothschild and that the UNITED NATIONS is an impotent and irrelevant organ.

Our first action against the Roman State of ISRAEL, de-facto puppet of Mr. Rothschild, the de-facto 'King', who appoints the Prime Minister, 'Knesset', and many Rabbis who regard him as God, is recorded at [www.courtrecord.org.uk/Israel-1](http://www.courtrecord.org.uk/Israel-1). Our current action involving the Ministry of Foreign Affairs of 'ISRAEL' is recorded at: [www.courtrecord.org.uk/Israel\\_MFA-PDF](http://www.courtrecord.org.uk/Israel_MFA-PDF).

The mens rea of 9/11 is Gold Lust, the theft of all the gold from U.S.A., the Sn of the Calf, the 'Fatted Golden Fleece', punishable with death. Our ecclesiastic contemplation that resulted in the 'wanted dead or alive' warrant for Mr. Rothschild and Mr. Netanyahu is recorded at [www.courtrecord.org.uk/golden-PDF](http://www.courtrecord.org.uk/golden-PDF).

Mr. Rothschild, puppet master of ISRAEL and the Federal Reserve, is himself a puppet of the 'Holy Roman Emperor', the 'King of Spain'. This is covered in our intercession regarding Spain and available from [www.courtrecord.org.uk/Sofia-1](http://www.courtrecord.org.uk/Sofia-1) [www.courtrecord.org.uk/Sofia-2](http://www.courtrecord.org.uk/Sofia-2) [www.courtrecord.org.uk/Sofia-3](http://www.courtrecord.org.uk/Sofia-3).

Mr. David Cameron, the 'British' Prime Minister is the puppet of the Jesuits, the 'Company of Jesus' who are the puppets of the said Holy Roman Emperor and a band of fanatic 'Nazi' idiots with 'Hereditary Royal Titles'. This revelation is covered in [www.courtrecord.org.uk/Cameron-1](http://www.courtrecord.org.uk/Cameron-1) [www.courtrecord.org.uk/Cameron-2](http://www.courtrecord.org.uk/Cameron-2) [www.courtrecord.org.uk/Cameron-3](http://www.courtrecord.org.uk/Cameron-3) [www.courtrecord.org.uk/Cameron-4](http://www.courtrecord.org.uk/Cameron-4) and [www.courtrecord.org.uk/Cameron-5](http://www.courtrecord.org.uk/Cameron-5).

The same is true of the U.S. President, Senators and Congress. The same is true of the UNITED NATIONS and every corporate country therein.

## Magna Charta in action or the Jurisdiction of Jesus Christ?

The 'spiritual war' cannot be easily seen – yet some of the effects are in plain sight. The American Civil War, for example, was a thinly veiled war between the 'Catholic' and 'Protestant' sides. Once you know that the American Civil War is a woman wearing a veil, the warring woman below can be seen. There is not much need for imagination, the large statue of the Egyptian Goddess Isis is the so-called 'Statue of Liberty'.

The English (and the Scottish, etc.) were the first to see that the Kings of Europe were not Christian. Caesar's law applied to kings. The Conquest of Rome by the Righteousness of Jesus Christ was visible in England. Europe blindly continued with war between kings as a means of retribution. For five centuries the Roman Church has been trying to "kill all the Protestants".

In the quest for 'Spiritual Power', Napoleon began to dig up the graves of Egypt. There is no 'matter', there is only Spirit or Mind. Spirits once put away by Egyptian priests were let loose.

95 The quest for 'magical' domination once again eats the heart of Europe. The Greenbaum speech, archived at [www.courtofrecord.org/Greenbaum](http://www.courtofrecord.org/Greenbaum), is required reading for those unfamiliar with this dimension of World War II and subsequent history. The Iraq wars were about trying to identify and extract the spiritual secrets of Babylon to ensure that, in the end, all the gold goes to 'them'.

100 Legal idiots before YHVH believe that 'sacrifice' of living men, women and children gives them 'power'. Such 'power' is like the spending power of an American Express 'credit card'. The karmic accountant has called in the karmic debt. It is due and payable 'in full at the end of the month'.

The end of the month has come and gone. Canst thou see the mercy of the LORD at work?

105 Contrary to the impression created by reading the New York Times, President Putin required no troops in Ukraine. The appearance of war was manufactured by the CIA. President Putin was prepared by having read [www.courtofrecord.org.uk/Putin-PDF](http://www.courtofrecord.org.uk/Putin-PDF)

A full list of our documents are at [www.courtofrecord.org.uk](http://www.courtofrecord.org.uk)

110 The CIA is the "colt" that was under the 'ownership' of the "village over against you" - the Nazi Royal Idiots of Europe. The CIA have been freed. They no longer have to follow orders from village idiots in Europe. The CIA is known as "Iraan" in the farce on mainstream media.

The 'British' "colt" has been freed, along with the 'German' and the 'Dutch'. The 'French' as usual, don't know which end is up. The 'Spanish' think that "bull spearing" proves their superior macho capabilities. The 'Icelandic' cannot distinguish between male and female, they sent an all male team to a UN conference on "Gender Equality"<sup>5</sup>.

115 **Refugees, 'Economic Migrants' or Sacrificial Victims?**

22 September 2015

Dear Sir or Madam,

Re: <http://www.unhcr.org/551128679.pdf>

Unmitigated bullshit 'trends' does not serve the cause of Truth

120 We assist Her Majesty Queen Elizabeth [II] and His Holiness Pope Francis with the dissolution of the corporate 'tyrant(s)', the 'Company of Jesus' dba UK, USA, UN, FEDERAL RESERVE, etc., that is the cause of the refugee crisis.

125 This Court of Record of YHVH, Ground of Being, "Our father which art in heaven. Hallowed be thy name". Allah, has identified the /mens rea/ behind the phenomenon: worship of the Fatted Golden Fleece, or 'Gold Lust'.

Amicus curiae fax to UNHCR, available from [www.courtofrecord.org.uk/UNHCR-PDF](http://www.courtofrecord.org.uk/UNHCR-PDF)

We attach our Amicus curiae to the United Nations High Commissioner for Refugees, UNHCR, extracted above, regarding the ongoing false-flag 'refugee crisis' which is deemed included in full at this point.

130 Every UN Mission has been served. The ensuing farce is in the news: "climate change"<sup>6</sup>.

There are additional document links for Your Honour in this document.

### Migrants or sacrificial victims

135 "Welcome to the Jungle: inside Calais' refugee camp"<sup>7</sup>, is a picture. "A young Sudanese migrant shows off a new hat". The hat he is wearing says "Black Protein"<sup>8</sup>, indicating that idiots in Europe think that, in the end, they can simply sacrifice all such "black" men. If their boat did not get scuttled, they will be eaten.

It is our wish that Your Honour place all these documents on the Public Record at the U.S.D.C. SOUTHERN DISTRICT OF NEW YORK; as must the Secretary of State for NEW YORK.

140 It is our wish that Your Honour convene a convention of all U.S. District Court Judges to prepare for a return to Common Law.

### Debt – what debt?

A de-facto Debt Jubilee was recorded in 1914 by the then British Chancellor of Exchequer - which we record in our Letter Rogatory to the British Cabinet referenced above. Bank money-of-account is created by placing 'credit' Bills of Exchange on deposit. There is no money. There is no debt. There are just electronic entries on computers and fancy pieces of paper which are given the fancy title 'legal tender'. Capitalism vs Communism and/or Republicans vs Democrats, is political theatre for weak minds.

America now has this living Court of Record of Jesus Christ.

150 'Jesus Christ' once again, overturns the tables of the money changers. 'Very Important' legal infants who walk in and out of 'bank' offices, etc., in NYC must read:

Our Amicus curiæ for Chartered Accountants: [www.courtofrecord.org/QE2-2-PDF](http://www.courtofrecord.org/QE2-2-PDF)

It is our wish that the above Amicus curiæ for Chartered Accountants is studied in detail by the best minds of New York City – it is what can make New York City and America prosper again. It is the merciful path forward to the re-creation of real markets.

155 We record how the lunatics and idiots in 1914 'wired' 'money' from 'Great Britain' to 'New York' to purchase German war bonds. We record how and when the law concerning lunatics and idiots was consolidated during the reign of Queen Victoria. See [www.courtofrecord.org.uk/British-PDF](http://www.courtofrecord.org.uk/British-PDF).

160 We suggested that His Holiness Pope Francis 'proclaim' the Debt Jubilee. A proclamation does not alter the law: Thou shalt not pay taxes to CAESAR<sup>9</sup>. There is no 'National Debt' or debt of any sort. Penalty for the Sn of the Calf is Death. See Luke 19 & 20; Exodus 32, in the King James Bible, which is the origin of Trust Law and 'Constitutional Law'.

The 'land', as in 'Supreme Law of the Land', is YHVH, Ground of Being, locus standi in earth.

6:9 After this manner therefore pray ye<sup>10</sup>: Our Father which art in heaven, Hallowed be thy name.

6 <http://www.dailymail.co.uk/news/article-3257633/Charlotte-Church-blames-Syria-s-brutal-four-year-civil-war-CLIMATE-CHANGE-not-ISIS-Assad.html> "Ms Church attacked those on Twitter who had ridiculed her climate change observation. She said they should 'go do some research - come back to me and we'll have a conversation about the real world'."

10 Ye/thou: The Self as in atman, the Higher Self of the Indians, Our Father/Mother Jesus Christ within, not you as in the ego of Freud as in, 'Freud, you bastard'.

165 6:10 Thy kingdom come. Thy will be done in earth<sup>11</sup>, as it is in heaven<sup>12</sup>.

6:11 Give us this day our daily bread.

6:12 And forgive us our debts, as we forgive our debtors

6:13 And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, for ever. Amen.

170 6:14 For if ye forgive men their trespasses, your heavenly Father will also forgive you:

6:15 But if ye forgive not men their trespasses, neither will your Father forgive your trespasses.

The Lord's Prayer from Matthew 6:9-15 from the King James Bible, with context

Our Amicus curiae to the Department of Homeland Security [www.courtofrecord.org/DHS-PDF](http://www.courtofrecord.org/DHS-PDF) (attached), to avert the slaying of His Holiness Pope Francis as an excuse for World War III, has been received by all levels of NYC and New York and Pennsylvania State Police.

175

The United States and the Federal Reserve are chartered by the 'Holy See' via the Queen of England. As this is a Court of Law, we have covered the epistemology and ontology of all possible 'evidence' in our Open Letter to Professor Dawkins: [www.courtofrecord.org.uk/Dawkins-PDF](http://www.courtofrecord.org.uk/Dawkins-PDF).

### Wanted Dead or Alive – let them know – where shall they run?

180 The Directors and Shareholders of all New York registered corporations, insurance companies, banks and 'foreign' banks with a correspondent account in NYC are wanted 'Dead or Alive' by this Court of Record of YHVH.

All current and former holders of the office of President, Prime Minister and Foreign Minister in 'France' are wanted dead or alive, along with all corporations involved in Fukushima, Ebola, death-cult environmentalism and medicine. Our Amicus curiae for the dissolution of the 5<sup>th</sup> French Republic is available here: [www.courtofrecord.org.uk/France-PDF](http://www.courtofrecord.org.uk/France-PDF).

185

The current and former 'King of Spain' and 'King of Belgium', 'card carrying'<sup>13</sup> Royal Idiots with titles, all living members of the 'Sovereign Order of Malta' and the 'Order of the Golden Fleece' are wanted dead or alive by this Court of Record of YHVH.

190 It is our wish that Your Honour shall cause all such to be served<sup>14</sup> a copy of this document.

Arrest Warrants shall be issued on an individual basis. Those wanted dead or alive are to be informed in no uncertain terms that either they surrender unconditionally or ...

... or the 'American Dentist'<sup>15</sup> may visit without warning. 'They' wished for a Jungle, 'they' have it now. They scuttled the courts in England and USA, turning them into mere administrative

195

courts of a 'Jungle'. The Jungle is the result of the 1919 Treaty of Versailles. Lord Maynard Keynes explains the "animal spirits" in his *Economic Consequences of the Peace*<sup>16</sup>.

11 Earth here is the earth from earth, air, fire water and ether. If you travel to Mars and bump your head on roof of a rock cave, your head will hurt in earth, on Mars

12 Heaven: BEING. Luke 17:20 And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, The kingdom of God cometh not with observation. 17:21 Nether shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you.

13 As Your Honour can confirm, Her Majesty Queen Elizabeth [III] is the only Head of State without a passport. The passport is a lunatic identification card. The 'King of Spain' is such a lunatic, living in a large open air lunatic asylum called 'Spain' inside a larger lunatic asylum called 'Europe'. What an idiot!

14 Think creatively, not like a Roman Soldier. 'They' need 'clearing and settlement' for their office trash, do they not? FRANCE a bank

15 The story about the American Dentist killing a Lion was really news that some idiot who thought himself a lion of Europe has been shot dead.

16 [www.courtofrecord.org.uk/archive/keynes/The\\_Economic\\_Consequences\\_of\\_the\\_Peace/](http://www.courtofrecord.org.uk/archive/keynes/The_Economic_Consequences_of_the_Peace/)

Her Majesty Queen Elizabeth [II] has stripped all Royal Titles, subsequent to our wish. The 'top' English Commissioner of Police, 'Sir' Hogan-Howe, was informed via [www.courtrecord.org.uk/UK-Police](http://www.courtrecord.org.uk/UK-Police). The next day, The Telegraph informed us that:

200 Mr Hogan-Howe (below<sup>17</sup>), who has recently said that he wanted to "fight our corner" on budget cuts, said it was "not a bad a thing" to travel by bus to deal with an investigation. The Telegraph<sup>18</sup>

So Mr. Hogan-Howe is feeling a bit 'below zero'.

205 This Court of Record is investigating the threats of a new '7/7' type intimidation and possible planning ongoing in the recent overflight<sup>19</sup> of Scotland. Bombardier Inc. is under investigation.

### The Penalty for the 'Sin of the Calf' is Death

All U.S. banks and the U.S. I.R.S and U.S. 'Law Enforcement' shall cease and desist from Colour of Law Fraud and intimidation. The mens rea is Gold Lust or the Sin of the Calf.

The penalty for the Sin of the Calf is clear and unambiguous: Death. See Exodus 32.

210 His Holiness Pope Francis or any 'King' or 'Congress' cannot alter the law. The statutes and judgements of the LORD God, YHVH, Ground of Being, our Lord Jesus Christ, are clear. The precedent is available in "stone and bone".

Matthew 5:18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled.

215 The LORD as Death, known as Yama to the Indians, YHVH, pictured as 'Mahakali with a garland of skulls', may visit without prior warning.

### What is the 'Sin of the Calf'?

220 Idiots confuse the 'Sin of the Calf' with the performance of a ritual in front of a golden idol – there is nothing wrong with that – the 'Sin of the Calf' is to believe that it is Caesar's law, gold and guns that 'feed you'.

3:17 Because thou sayest, I am rich, and increased with goods, and have need of nothing, and knowest not that thou art wretched, and miserable, and poor, and blind, and naked;

225 3:18 I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see

Revelation of Saint John the Devine

230 Gold tried in the fire: BEING. White raiment: a body of light "if therefore thine eye be single, thy whole body shall be full of light". Nakedness: acceptance of the illusion of separate existence which leads to belief in 'supremacy' of Caesar's law, gold and guns. This is the status of idiots who carry on about the U.S. Constitution being the 'supreme law of the land'.

17 Apparently a typographical error on purpose

## 'Sn of the Calf' in 'courts' of America

Your Honour's 'U.S. District Court' and 'courts' in America, not excluding SCOTUS, are operating a Bills of Exchange racket to steal from the trust accounts of Americans, set up during the 'secret' bankruptcy of U.S. in 1933.

235 The entire process of 'selling an indulgence', the value of a statutory 'crime', is about getting an American legal infant to sign an American Express 'charge sheet'. Either the defendant or the 'citizen' jury are entrapped by the 'court' process, to sign the said charge sheet.

Offenders are 'stored' in jails to enable the judiciary to trade their birth certificate bonds.

The process of entrapment gets the 'defendant' to agree to a Nisi Prius court of no record.

240 Your Honour and the judiciary are warned of the ancient and terrible penalty for such.

There is no judicial immunity.

The only course available to Your Honour, is to conduct yourself as a magistrate where the tribunal is independent of the magistrate designated to run the court, whilst ensuring that the tribunal are not entrapped legal infant 'citizens'.

## 245 Firearms

In England, this Court of Record is monitoring the antics of the police, courts, private bailiffs and solicitors regarding the arrest and attempted entrapment of an Englishman.

Summary of events. The following is extracted from an affidavit of Peter Camillo Frenette dated 23 & 24th September 2015, by Michael Burke, Bailiff of this Court of Record.

250 Note: Judge Murphy, who failed to respond to Peter's paperwork, is in dishonour as he failed to appear and Judge Sean Arkwright, who we presume, had not read the paperwork, appeared in his stead.

255 Peter was informed on the first visit on the 23rd of September 2015, that the trial would start without him and he replied that they can start whatever they want. During one of these invites, Peter made it plain that forced statutory jurisdiction was a criminal offence. Peter also informed them that they had no jurisdiction over him and he had no contract with the crown or admiralty.

Judge Sean Arkwright abandoned the court twice because of Peters refusal to give him authority over him. Peter was asked three times to go upstairs into the dock but declined each time.

260 Peter was detained overnight in Peterborough prison and taken back to court on 24th September 2015. Two further invites to the dock were made but declined and around 10.30am five women came to the cells, one appeared to be a QC and said that if he signed bail conditions he could go home.

Peter declined saying that if he could not go home a free man they could send him back to prison.

265 The QC was almost apoplectic with rage and said "what? do you want to go back to prison and not go home, to which he replied either send me home a free man or send me back to prison, the choice is yours." And said he wanted to see the judges judicial bond and other legal instruments/insurance and if the judge wanted to see him he could visit him in the cell. With that the five women left.

270 Around 2pm one of the Polish custody officers opened his cell and said that he was free to go. Peter asked "go where?" and she said, "go home" ... but that he was not allowed to check his bags until he left the cell complex. This was repeated five times.

275 Peter declined to sign anything or take any of his belongings including his money and left it there with them, sealed up in bags. As Peter made his way out of the court towards the main entrance, he was met by two police officers and arrested for breach of bail conditions that he had purportedly signed for the previous evening and taken to Thorpe Wood police station where he

was allowed to phone his wife and then returned to the court cells. The two arresting officers were Louise Tudman and Paul Chadwick.

Peter was left sitting on a hard wood bench in the cell for 10 hours, apart from when he was let out and then arrested, no doubt to break his spirit.

280 On 23rd December 2014 Huntingdonshire Magistrates confirmed that there was no victim which means that they are using an artifice, known as a fictitious plaintiff, strictly forbidden in law.

It is contempt of court to sue in the name of a fictitious plaintiff.

.....  
Notes from Michael Burke: First time I appeared in court for contempt I asked the judge if he was sitting in the stead of the living Queen and he declined to answer and sent me back to the cell. The second time I was taken up pointed to the royal coat of arms and reminded him that these are Her Majesties courts and he had no jurisdiction over me. For that I was sentenced to seven days in prison for 'contempt of court'.

290 **Open Letter Rogatory to Peterborough Crown Court**, Crown Buildings, Rivergate, Peterborough, Cambridgeshire, PE1 1EJ, England

4 October 2015

Dear Sir,

295 **Regarding: the entrapment of the Englishman, Peter Camillo Frenette of Cock Audley Farm, Little Paxton, Huntingdonshire on supposed 'charges' of "possession of " firearms, &c".**

Is the 'Coat of Arms' in your court room that of Her Majesty Queen Elizabeth [II] or is it a near imitation? Have you sworn an oath of loyalty to Her Majesty Queen Elizabeth [II], our living Sovereign Lady?

300 **Your jig is up. Peter is not the danger you must run from. You have no immunity.**

'Recovering costs' is the least of your worry.

The 'Field of poppies', recently on display<sup>20</sup> at 'The Tower of London' is a symbolic message regarding the 'necessary force' that can be brought to bear upon the problem – at the right time, a time not too far away.

305 What is the problem? **Treason** to Her Majesty Queen Elizabeth [II], our living Queen and **Gold Lust, 'Sin of the Calf'**. Mr. Hogan-Howe is "ready to fight"<sup>21</sup> for his gold, which demonstrates his gold lust.

310 Is it not clear to you yet, that **Parliament, puppet of the Jesuits, along with the 'Crown Temple' system, the Inns of Court, and all 'police', solicitors and 'bailiffs' are the would be traitors?**

20 <http://www.telegraph.co.uk/history/world-war-one/11202631/Dont-visit-the-poppies-at-the-Tower-of-London-public-told.html>

21 [www.telegraph.co.uk/news/uknews/crime/11839399/Sr-Bernard-Hogan-Howe-says-he-will-fight-over-police-budget-cuts.html](http://www.telegraph.co.uk/news/uknews/crime/11839399/Sr-Bernard-Hogan-Howe-says-he-will-fight-over-police-budget-cuts.html)

Who would be in danger of the ancient and terrible penalties for treason and the 'Sin of the Calf'? Answer: **All of them.** Can you not see the necessity for mercy?

315 The recent symbolic disarming of the hired killer<sup>22</sup>, your 'police marksman', and then following Jesuitical procedure to give him 'compensation', indicates the serious nature of this **Court of Record** order to disarm the police.

This **Court of Record** is investigating the police for failure to do their Common Law duty to protect Her Majesty's subjects from, for example, drowning<sup>23</sup>.

"The English know how to do the 'snake and rope trick' ... the Frogs in the Jungle go ribbet-ribbet-ribbet"  
Amicus curiae to Mr Hogan-Howe.

320 **There is no 'money' in the Bank of England.** When the time comes, all the guns and all the police marksmen are not going to be able to help you **argue with a rope.**

**You have no jurisdiction over Peter.** We have his affidavit about how they tried to plant a 'bail agreement' in his personal effects during the farce of being told "you're free to go" and then re-arresting him outside. Your **treasonous scam** failed.

325 **Court of Record Order**

It is our wish you dismiss the farce in your 'court', discipline the 'police officers', private security and 'solicitors', and let Peter go free.

It is our wish you shut down the system of private 'bailiffs' that march around with 'distress warrants' pretending that they are 'court orders'.

330 **Your restraining order(s) are void. You have no authority to restrain the Bailiffs of this Court of Record from any premises whatever.**

**You, Sir, have zero ability to issue a court order.**

Yours faithfully,

### **Liberty to carry a firearm**

340 It is an Englishman's right to possess a firearm, enshrined in 1688 Declaration of Rights to King William and Mary, passed as an Act of the King in Parliament agreed on, in the 1688 Bill of Rights, that eventually resulted in the so-called "2<sup>nd</sup> Amendment" in the 'United States'.

The 'founders' of the U.S. Constitution realised that they had created a legal tyrant who could not be killed, since it was an inert corporate body of law – hence the amendments to

make it acceptable to peasants who swear an oath to a flag and set themselves up to worship the 'fatted golden fleece', most of them thus, "know not what they do".

345 The 'real' founders and authors of the U.S. Constitution are the Jesuits<sup>24</sup>.

The Jesuits of then, were contemporaries of Shakespeare and the reformation painters, the degraded Jesuits of today, who swear their terrible Jesuit oath, cannot compose an exhortation for 'Catholic' writers to write<sup>25</sup>, supposedly to herald themselves as champions of a new era, they cannot express any theological opinion, and they cannot paint a logo<sup>26</sup> for the Pope.

350 The new Jesuit empire of Sodom, Guns and Gold shall come to an end by the grace of our LORD, Jesus Christ, Ground of Being.

### Deadly force

This 'right to deadly force' for men at liberty goes back to ancient times. The Magna Charta 1215 being a memorable example, which resulted in the Common Law process of a Court of

355 Record.

Any American may carry any firearm. Idiots in 'law enforcement' are warned not to act against victimless crimes, collect imaginary debt or chase forbidden tax. No more revenue by radar. No more drug charges. No mandatory vaccinations. No enforcement of civil code or statutes. Understood?

360 Lies, lies and sweet bloody lies

The use of 'fixed' sport matches as a signalling mechanism in the contest between cults for 'power' has made headlines regarding the "corruption" of Mr. Blatter, the President of 'FIFA' the football association, which has resulted in an ongoing investigation by the Swiss Attorney General.

We have forwarded our fax to DHS to Mr. Blatter with the following cover:

365 Dear Mr. Blatter,

Courtesy copy - kindly pass it on to the Swiss Attorney General.

The Swiss National Bank has three names. Swiss, National and Bank - each of which is a lie.

www.courtofrecord.org.uk has latest letters published. Print out the ones you do not have as yet - check it daily

370 We send our love to YHVH for thee!

Yours faithfully,

Joseph Ray Sundarsson

375 Subsequently, "Fifa president Sepp Blatter has refused to resign after major sponsors Coca-Cola, McDonald's, Visa and Budweiser demanded he step down over corruption allegations"<sup>27</sup>.

Your Honour, each of those companies is now under investigation as to what they are hiding.

### The Swiss Quark Cannon with lead ion bullets: CERN

380 The Swiss have allowed a quark cannon, a geo-physical weapon patterned after a Mayan  
Mandala, under the cover of research, be used to blackmail the Pope and the USA, with the  
capacity to blow up the Yellowstone Super Volcano or used to attempt a 'portal' to 'another  
universe and/ or to create strange-quark-condensates to turn the planet into a pulsar.

Our fax to CERN heads of department copied to the CIA requesting an unequivocal  
385 demonstration of the seriousness of the situation resulted in such an event widely covered in  
the press but simpletons cannot figure out the first thing about what actually happened.

There is no 'neutrality' for Switzerland. We have thus demonstrated Admiralty jurisdiction  
over CERN and Switzerland by the above event. Nitwits think 'admiralty' means rushing  
around like a Navy Admiral in a gun boat as some sort of glorified policeman.

390 They cannot fathom why no arrests of the bad guys take place: because the world is under  
admiralty jurisdiction. The hunt is on.

Idiots "taking a vacation", die on planes that blow up and preserved cadavers of sacrificial  
victims get strewn over Ukraine.

Just because idiots cannot put two and two together, it does not mean it is not real.

### Admiralty: Altering the course of HMS Daring

395 After the use of a geo-physical weapon to fling Hurricane Haiyan at the Philippines, the 'U.K.'  
sent HMS Daring to 'assist'. The stated course of HMS Daring after 'rendering assistance' was to  
travel to Japan. Our contemplation for Her Majesty Queen Elizabeth [II] showed how the 'CIA'  
had used HMS Daring, without authorisation from Her Majesty.

[www.courtrecord.org/ Daring-PDF](http://www.courtrecord.org/Daring-PDF)

400 HMS Daring's course got altered. Mr. Cameron had to rush to China to sign an accord, the bars  
of gold on board dumped in the deep and this resulted in the farce of a search for MH-370  
which we have covered in our contemplation regarding the 'Fatted Golden Fleece'.

### Swiss officials who cannot read

405 In Switzerland, for example, we are investigating the Swiss Canton of Basel, who were copied  
our fax to the DHS, who faxed us back saying:

Remove our FAX-Number

We do NOT want to receive  
any fax like this.

410 Thank you  
Handelsregisteramt Basel-  
Stadt  
Sefan Christen

Their request is denied. The lives of the men, women and children of Switzerland have been  
415 risked by incompetent officials, who have no immunity and unlimited personal substantial  
liability before this Court of Record.

Switzerland does not have a de-jure Capital. There is a de-facto Federal official with the title  
'Bundesrat', who is also the Secretary of OSCE. We have written to him multiple times in the

past, [www.courtrecord.org/](http://www.courtrecord.org/) Swiss being an example.

It is our wish that Basel-Stadt find someone who can read and take action.

#### 420 Anti-money laundering: death by compliance

It is hardly a secret that the real purpose of 'anti money laundering' activities by the 'banks' is to turn a blind eye to insider-cults that, for example, resulted in the Fukushima disaster, while locking out or disabling honest traders.

425 In our Amicus curiae to Her Majesty Queen Elizabeth [II] [courtrecord.org/ Magna-Charta-1](http://courtrecord.org/Magna-Charta-1) we have recorded the actions of one Dr. Neese who failed to follow instructions of the Principal/ Plaintiff/ Owner. The instruction to replace him as Director have been further delayed to 22 October 2015. He is using every compliance trick to frustrate the normal course of trade of a simple English trader.

430 Without authorisation, he has moved seventy five thousand Swiss francs as 'withholding' to, in essence, "cover his ass". What about his neck? He has the same need for mercy as we have outlined to the English 'Crown Court'.

435 U.C.C. mirror reflection applies – he has no immunity – his liability is not limited. He purports to be a 'Doctor of Law', when it is clear he cannot read, at least in English. He purports to preside over 'money laundering' when we know that Swiss banks are complicit in the biggest tragedies of our time. The 'Sin of the Calf' is writ big over Switzerland.

There is no 'money' in Swiss banks. We have caught them in the act of trying to steal from safety deposit boxes by 'compliance'. They have loaned no 'money', they lust after a Greek island. Until a new settlement is in place for trade, they are completely reliant on the clearing and settlement process in New York City for Bills of Exchange.

440 His Holiness Pope Benedict XVI inaugurated the era of "Render unto Caesar what belongs to Caesar and to God what belongs to God" in His Holiness' Christmas message of 2012, which is the humility before God that triggered these intercessions.

445 In addition to [www.courtrecord.org/ QE2-2-PDF](http://www.courtrecord.org/QE2-2-PDF), we have begun an Ecclesiastic contemplation to determine the will of YHVH, a Merciful remedy for Treason, available at [www.courtrecord.org.uk/ Mercy-1](http://www.courtrecord.org.uk/Mercy-1).

New York, the home of the Federal Reserve, is no stranger to the knowledge that the Pope chartered the Federal Reserve, that its time is up, that the pretence of trading in gold is over.

#### Return to real markets and the Common Law

New York City must lead the way to restore real markets and the Common Law.

450 The latest 'Climate Change' fraud, and 'Global Warming', a Jesuit euphemism for Nuclear War, is the subject of our 'Potsdam Missile', available from [www.courtrecord.org/ Potsdam-Missile](http://www.courtrecord.org/Potsdam-Missile).

455 The call for assassination markets from the New York Police<sup>28</sup> and the fear of such, is covered in our fax to the MIT Center for Global Change, available at [www.courtrecord.org/ MIT-1](http://www.courtrecord.org/MIT-1). The key word chaos, found often in the news, is indicative of the operative cult that controls America and much of Europe. Are they for good or are they for evil? Time will tell.

28 <http://morelibertynow.com/nypd-strike/>

A gunman's assassination of two NYC police officers while they sat in their cruiser on December 20 has led to chaos in the NYC government. Almost immediately:

- citations for traffic violations fell by 94 percent:

This Court of Record is investigating all corporate entities and associations, regarding the implementation of death by fraud, for example, the American Medical Association and Microsoft and/ or Bill & Melinda Gates Foundation; and individuals, for example, George Soros.

460 The 'VW Emissions' scandal is just the tip of the mass death population control agenda. ... This Court of Record is investigating the death of John Nash<sup>29</sup>. Was his taxi taken over by remote control? Who ordered him killed? They are wanted dead or alive by this Court of Record.

Why is the man, 'Jim Bell'<sup>30</sup> in prison? Is it because he can think? The Fed is dead. The LORD God YHVH has seen<sup>31</sup> the evil of Gold Lust. The LORD can hunt a stag<sup>32</sup> by Himself.

465 This Court of Record is investigating all lunatics who practice child sacrifice and torture under the cover of 'religious freedom'.

The mens rea for the 9/ 11 tragedy is the same as that of '7/ 7', Fukushima, Pearl Harbour, Hiroshima, Vietnam, USS Liberty, MH17/ 370, Ebola, Ukraine, Syria, Gaza, et al!: Gold Lust.

American 'law enforcement' have been tricked into enforcing Jesuit policy, their oath. This is the essence of the 'Patriot Act'.

470 Do the legal idiots, lusting after gold, see the need for mercy of YHVH, BENG?

A debt jubilee has been in place for 100+ years. 'They' have been legal idiots lusting after gold. 'They' and Your Honour, live in a prison, a lunatic asylum. Such legal idiots think that they can 'do anything', when, in fact, they are not at liberty and are unable to feed themselves without fraudulent conversion.

475 The border with Mexico, for example, is armed to keep these lunatics with a United States 'passport' IN the lunatic asylum. We explained the 'National Security' situation to the then Governor of Texas Rick Perry, in [www.courtofrecord.org/Texas-1](http://www.courtofrecord.org/Texas-1).

480 The 'Elis Island' toll to enter the U.S., now a 'visa', modelled on the entry fee to Jerusalem charged by the Ottoman Sultan, was itself a tool of gold lust. Is it clear that the penalty for U.S. Customs 'officers' is death?

Dismantle all borders. Start with all land borders from the top of Canada to the tip of Argentina. No check points, no identity checks. Drugs can pass freely. Idiots stupid enough to consume them are not a danger to anyone.

485 When the arbitrage created by the artificial shortage and perceived value caused by the Rockefeller Drug Laws is removed, the drug trade will cease to have appeal to the vendors and drug runners. The source-of-funds for the tyrant-idiot-king of Spain will evaporate. He has already sent the FRN cash collected in Cuba to Mr. Rothschild for 'redemption'<sup>33</sup>. The 'hero' got a zero. 'They' now wish to create a fracas/ tragedy in the Mediterranean and the South China Sea as a distraction to steal the gold in the Philippines.

- summonses for low-level offenses dropped by 94 percent;
- parking violations were down by 92 percent;
- drug arrests by the NY Police Department (NYPD) Organized Crime Control Bureau plummeted 84 percent.

490 The so called statutes of the U.S. Congress, modelled on the Ottoman Sultan, refined by Roman Canon Law are void. The 'war against drugs' is the farce which proves the point. [vide post] Your Honour must inform all idiots in 'law enforcement' or 'criminal justice', etc., that U.C.C. Mirror Reflection applies to them. See: [www.courtofrecord.org/QE2-2-PDF](http://www.courtofrecord.org/QE2-2-PDF).

### The farce of the 'war against drugs'

495 Drugs were sold to men, women and children in America to remove Federal Reserve Notes from circulation and fund the Euro. The idiots in Europe think they are going to 'force' the conversion of paper into gold – on their terms.

They corrupted the "intelligentsia" with the "champagne life", paedophilia, ritual abuse and child sacrifice, "woven into the fabric of society", saying, this was the source of "power" in

500 Egypt. They changed justice to 'criminal justice' - a system run by criminals.

The ancient Priest of the Great Pyramid is in this Court of Record. He is not amused.

### Court Order

This is a Court of Record Order to:

1. Disband U.S. Customs, T.S.A., and dismantle Border forces and fences. The same applies to the board-and-scuttle operation run by the U.S. Coast Guard and/ or U.S. Navy.
2. Dissolve, shut down and evict the Internal Revenue Service / IRS.
3. End all 'debt collection'. There is no debt.
4. Release all prisoners held on victimless crimes.
5. Shut down any identity based service. No passports, drivers licenses, etc.

### 510 Grant of world-wide authority to arrest

The New York Police Department, NYPD, is granted world-wide authority to arrest and detain those we have identified in this and other published orders of this Court of Record.

The Allies for the Rule of God's Law are requested to assist the NYPD in this regard.

515 The NYPD shall form a liaison with the Bailiff of this Court of Record to provide the capability to arrest and detain those within and without the British Isles who defy the orders of this Court of Record. This Court of Record recognises no man made borders.

This grant of authority is contingent on forming this liaison.

### Christ, Our Saviour

520 Being is. That alone is worth having, which is the insight<sup>34</sup> to distinguish between BEING and existence. Christ is BEING. There is no anti-BEING. To propose an 'evil' entity to 'exist' would require it to BE 'before'<sup>35</sup> it can exist in space-time. Space-time is the net used by Jesus Christ to 'catch' demons. Hence God's question to Adam: "Adam, where art thou?". Genesis 3:9.

34 Direct cognitive perception of the difference between BEING and existence, the true meaning of 'Holy See'. No Pontifical University degree can confer this insight. The LORD grants it only to those who are 'meek as a lamb'.

35 There is no space-time in Being. Therefore 'before' is a figure of speech to indicate that BEING is the intellectual prior of space-time. Space-time is the 'ether' element of conscious existence. Salvation is the cessation of all dimensions/ space-time and coming to rest in Being (throne).

Revelations 3:21 To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne.

The cults who imagine an 'evil' idol, to 'terrify' others into submission, are legal idiots before YHVH, Ground of Being, our LORD Jesus Christ.

525 American English Summary

In 'modern American' English, Your Honour, you can tell 'them' all to, "fuck off ... or sure as hell you are gonna get fucked" - if they cannot humble themselves to unconditional surrender to this Court of Record of YHVH. The one 'mudra' or hand sign needed to stand up to the idiots in 'Wall Street', or in the CIA or the FBI; Royal Idiots and deviant Priests; every New York City cab driver, fireman and policeman - the 9/ 11 families, know.

530 Jesus Christ is with them.

There is mercy and forgiveness for those who adopt the path of Truth and public confession of their past stupidity.

535 Matthew 18:21 Then came Peter to him, and said, Lord, how oft shall my brother sin against me, and I forgive him? till seven times?

18:22 Jesus saith unto him, I say not unto thee, Until seven times: but, Until seventy times seven.

We pray for the grace of Holy Peace for all men, women and children.

We send our love to YHVH, Ground of Being, our LORD Jesus Christ, for thee!

Yours faithfully,

**Request for Corrected Affidavit of Service**

Dear Sir,

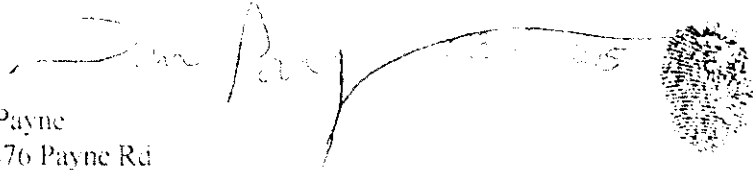

With regard to the documents I transferred to your custody on 26 October 2015 for delivery into the hands of Dawn A. Klida, I offer my sincere thanks for your delivery of said documents to said recipient at 9:05 AM on the morning of 29 October 2015.

With regard to the Affidavit of Service which you supplied to me, I have observed three items which could draw criticism of error should the Affidavit of Service be presented as evidence. I kindly request that, in fulfillment of the service, you send to me a Corrected Affidavit of Service which includes the corrections identified below.

The documents which I transferred into your custody for service of process are a letter of Amicus curiae and its attachment, containing notices crucial to clarifying the matters of "STATE OF MICHIGAN V. DESTRY JAMES PAYNE", case numbers 1232770ST1, 1232485ST1, and 1232485BS11, and said notices being of utmost importance to those who choose to serve as Judge in said matters. Said documents were dated 26 October 2015 and 4 October 2015. It may seem a trivial matter, but identification of the letter and attachment as simply the case names and case numbers doesn't convey the nature of the documents served upon Dawn Klida. I wish it to be obvious as to exactly which documents the Affidavit of Service refer. Please correctly identify the documents as "letter of Amicus curiae, dated 26 October 2015, and attachment, dated 4 October 2015, in the matters of STATE OF MICHIGAN v. DESTRY JAMES PAYNE; case numbers 1232770ST1, 1232485ST1, and 1232485BS11"; and, in your attention to detail, please do not deviate from the names of the plaintiff and defendant as printed on the plaintiff's formal complaint, for such detail may be argued as a matter of distinction or error.

I noticed that you overlooked the identification of myself, Dan Payne, as the man for whom you acted as agent; please, correct this omission as well.

I thank you for your valued time and attention in this matter.
